

One man. Two missions.

January 25, 2024

Dear Friend,

Please join the Joseph Project community and friends in lively competition at the 5th Annual Sporting Clays Classic Saturday April 20, 2024 9:00 a.m. to 1:00 p.m. at the Point at Pintail.

This day is filled with fun, food, music and fellowship with an opportunity for team building with co-workers, family and organization leaders. There are opportunities for individual participation, team registration, or corporate sponsorships! Sponsorship packet attached.

While you are enjoying a fun day, you can be assured that your contributions are supporting the Joseph Project to work with young men facing an unplanned pregnancy and fatherhood. The Joseph Project is being pro-active in your community to inspire young boys 12 to 17 to grow up to be men of good character.

For online tickets go to www.josephprojectformen.com.

Questions? Please call 410-822-1869 with any questions about the fun-filled day's activities and lunch will again be served by Mission BBQ.

Looking forward to seeing you there!

Sincerely,

Sharon Finecey
Executive Director

Kris Buckler
Joseph Project Coordinator
