Dear Friend,

Please join the Joseph Project community and friends in a lively competition at the 7th Annual Joseph Project for Men Clay Shoot Competition on Saturday April 18, 2026, from 9:00 am to 1:00 pm at The Point at Pintail in Queenstown Maryland. Registration to begin at 8 am. There will be four guns given away as prizes for first place men's, women's, youth, and a Lewis Class winner. Anyone could be a winner! Raffle tickets for a bushel of Maryland Eastern Shore blue crabs are on sale now for \$10.00 each. Just call the office at 410-690-8759.

This day is filled with fun, food, and fellowship with an opportunity for team building with co-workers, family and organization leaders. There are opportunities for individual participation, team registration, or corporate sponsorship! Call the office on 410-690-8759 if you are interested in sponsorship.

While you're enjoying a fun day, know that you're also supporting the Dale Skinner Boys2Men Boot Camp and other ministries of the Joseph Project for Men. Our mission is to proactively serve the community by encouraging boys ages 12–17 to grow into men of godly character and purpose.
